Welcome to the Weinfelden District

You've recently moved into our town in the Weinfelden district. You'll be living in Switzerland for some time - perhaps for the rest of your life. We'd like to give you a warm welcome.

There are many ways in which we can support you with your arrival and integrating into your new homeland. Come and take advantage of the welcoming talk at the Kompetenzzentrum Integration in Weinfelden, where we can provide you with information about the choice of activities on offer.

These activities include:

- German courses and courses on demand
- Organisation of cultural mediators and interpreters
- General integration projects
- Integration advice
- Networks & information

You can find out more at: www.koibw.ch

You're more than welcome to let us know if you'd like to get involved in the culture and society of your new home, and help build your new lives together.

We look forward to getting to know you better.
